

JOSIAH BARKER, ASSIGNEE OF HINDSON.

JANUARY 13, 1832.

Mr. CARR, from the Committee on Private Land Claims, made the following

REPORT:

*The Committee on Private Land Claims, to whom was referred the case of Josiah Barker, report:*

That the petitioner claims 1,687 arpens of land, commencing 40 arpens from the river Mississippi, in the State of Louisiana, by virtue of a grant from the Baron de Carondelet, Governor General of the province of Louisiana, to *Madam Hindson*, under whom he claims title, and dated at New Orleans in the year 1795. The grant appears to be genuine, and to have been duly recorded with the commissioners of landclaims, but no report made thereon. It further appears, that the land claimed has been in possession and occupation of the petitioner, and the person under whom he holds title, from the date of the grant to the present time. Your committee believe the petitioner is entitled to the land, and therefore report a bill.
